DESIGN & INTEGRATION OF CONTROL SYSTEMS

SERVICES AND CAPABILITIES

CONTROLS UPGRADING
• DCS Conversion
• Obsolete/Legacy Systems
• Network Modernization
• Migration Planning

MOTION CONTROLS
• VFDs
• Drives
• Servos
• Motors/Encoders

VISION
• Lens/Lighting Selection
• Proof of Concept
• Custom Shrouds
• Inspection

HMI DEVELOPMENT
• SCADA
• Animation
• Mobile
• Web Based

PLC PROGRAMMING
• Discrete Manufacturing
• Process Control
• Legacy Systems Programming

DATA COLLECTION
• Data Management
• Analysis
• OEE
• Reporting

ELECTRICAL ENGINEERING
• Electrical Schematics
• Panel Design with BOM
• Power Calculations
• SCCR

SAFETY
• Risk Assessment
• Compliance
• System Design
• Implementation

PROJECT METHODOLOGY
• Design Processes & Procedures
• Discover/Proposal Development
• Quality Control & Testing
• Integration & Final Acceptance

TRAINING
• Project Specific
• Knowledge Transfer
• Factory Floor
• Classroom

WE WILL NEVER WALK AWAY FROM A PROJECT UNTIL OUR SCOPE OF WORK IS COMPLETE

IMPROVING MANUFACTURING PROCESSES SINCE 1993
TRUSTED INTEGRATION FOR BUSY MANUFACTURERS

You’re busy. You need to be able to hand projects off to someone you can trust to do it right. We invest in getting to know your processes and challenges, your goals and expectations. Elevating the systems integration experience, together.

WHAT TO LOOK FOR IN A SYSTEMS INTEGRATOR

Being a good systems integrator is about more than just technical expertise. MartinCSI focuses on five key factors that create exceptional systems integrators.

- **LONGEVITY & EXPERTISE**: MartinCSI has been in business since 1993 operating on a mentoring model that retains more experienced employees while recruiting new talent.

- **CERTIFICATIONS & INDUSTRY INVOLVEMENT**: MartinCSI has been CSIA Certified since 2002 and is called upon for article submissions and speaking opportunities in many industry publications and conferences.

- **HIGHLY RECOMMENDED**: MartinCSI was 2011 Control Engineering Magazine’s System Integrator of the Year, 2015 CSIA Integrator Member of the Year, and is a CSIA System Integrator Hall of Fame Member.

- **CONTINUAL TRAINING & DEVELOPMENT**: MartinCSI employees average 100 hours of training per year with a focus on safety, certifications, and new products and technologies.

- **TRUST & INTEGRITY**: MartinCSI earns over 90% repeat business through open, honest, and thorough communication; in addition to quality work product.

WHAT TO EXPECT FROM MARTINCSI

- **Detailed and thorough proposals limiting the need for change orders**
- **Direct and frequent communication with your assigned project team**
- **Alignment of staff expertise with your project needs and requirements**
- **Training, drawings, detailed documentation, and all program files**
- **Complete protection and respect of your proprietary information**
